

Privacy Policy

Summary

“Baroda MConnect Botswana” is mobile banking application of Bank of Baroda. This Application collects some Personal Data (including account related information) from its Users.

Following data is accessed for the following purposes and using the following services:

Data / Information	Purpose	Service
Bank account information	View account information and account debit authority	Mobile banking service
Phone book contacts	Fetch mobile number from the phone's contact list	Mobile recharge
Passwords (Default password provided by the system and password created by the user)	Mobile banking login / transactions. (application password and mPIN is stored at server in encrypted form)	Mobile banking service

Methods of Data processing :Data is controlled and processed in house by the bank. The in house Data centre processes the data of Users in a proper manner and appropriate security measures are taken to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data. The Data processing is carried out using computers and / or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Data centre, in some cases, the Data may be accessible to bank officials, involved with the operation of the service (administration, sales, marketing, legal, system administration) or external parties (such as vendors, third party technical service providers, mail & SMS carriers) appointed, if necessary, as Data Processors by the business Owner. The updated list of these parties may be requested from the business owner at any time.

Place of data processing: The Data is processed at the bank's Data centre and in any other places where the parties involved with the processing are located.

Retention time: The Data is kept for the time necessary to provide the mobile banking service, as requested by the User.

Legal action: The User's Personal Data may be used for legal purposes by the bank, in Court or in the stages leading to possible legal action arising from improper use of this application or the related services. The User is aware of the fact that the Data Controller may be required to reveal personal data upon request of public authorities.

Additional information about User's Personal Data: In addition to the information contained in this privacy policy, this Application may provide the User with additional information concerning particular services or the collection and processing of Personal Data upon request.

System Logs and Maintenance: For operation and maintenance purposes, this Application and any third party services may collect files that record interaction with this Application (System Logs).

Information not contained in this policy: More details concerning the collection or processing of Personal Data may be requested from the bank at any time. Please see the contact information at the beginning of this document.

The rights of Users: Users have the right, at any time, to know whether their Personal Data has been stored and can consult the bank to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law, as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the bank at the contact information set out above. This Application does not support “Do Not Track” requests. To determine whether any of the third party services it uses honor the “Do Not Track” requests, please read their privacy policies.

Changes to this privacy policy: The bank reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using this Application and can request that the bank to erase the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the bank has about Users.

Definitions and legal references

1. **Personal Data (or Data):** Any information regarding a natural person, a legal person, an institution or an association, which is, or can be, identified, even indirectly, by reference to any other information, including a personal identification number.
